### **4. Competition Secretary's Report**

Leighton highlighted the following points from the 2021 competition year:

- Due to Covid, there were only 4 events held at the end of the year.
- The events ran well with the new electronic system of sign on which will continue for future events.
- There had been issues with the timing gear so a new system has been purchased.
- Due to Covid, there has been no championship awards for the last two years.
- During Covid, spectators had been excluded from the venue. Going forward it was agreed that spectators would be allowed but not permitted to park within the venue.

Paul proposed a vote of thanks to Leighton and the Team for their considerable effort during the year. This was seconded by Gareth and agreed by the meeting.

## **5. Treasurers Report**

Rob James provided the following report for the meeting:

- The accounts for the period ending 31st December 2021 are available for signing at this meeting and will then be filed at Companies House. A copy is available at this meeting for inspection if required.
- The club was reasonably active in 2021, once the Covid restrictions had eased, and ended the year with a Balance Sheet of £16,269 compared to £15,445 in 2020, so a reasonable increase bearing in mind we had also purchased new timing equipment as below.
- The timing equipment was purchased in December 2021 for £1,290.00 which is proving to be very good.
- All events are now entered and paid for online which is making administration of the receipts very easy, and also not having to deal with cash at the events is a massive benefit.
- In August 2021 a deposit of £10,000 was made into a fixed interest savings account with Aldermore which is producing a return of 0.85% AER.
- As Treasurer I produce regular reports for committee meetings showing current balances, revenue, and expenditure for each period.

Paul proposed a vote of thanks to Rob for his work during the year. This was seconded by Tom and agreed by the meeting.
