- There were 19 entrants for the Christmas Autotest, the event went very well.
- The next event is on 22nd January and we have a full entry list. John Morgan will be setting out the course.
- The fire extinguishers have been serviced and one was replaced.
- The Trophies for the Awards Evening have been ordered from CMS at Tonypandy.
- LS has purchased some cold tarmac to fill in potholes on the Llandow runway, this will be applied prior to the start of the next event.
- The Driving School Portakabin was relocated in line with the BAC Portakabin after the event on 29th December 2022. Well done all involved.
- The repair to the roof of the Portakabin was carried out by LS in November. Still a slight leak. To be reviewed in a few months when we have better weather conditions to carry out further repairs.

- Agreed that all future events will be 6 runs with a double run on the

6th. This eases the calculation of the results using spreadsheet by GB.

3. Sports Timing Systems have recommended we use MSports Pro software if we want to operate our timing gear via a laptop which will automate the time recording and results. The cost is £455 + VAT, and the USB Dongle Key an additional £90 + VAT. As we have decided not to proceed with the software then we need an iOS device to run the timing app as currently we are using a spare iPhone of mine which might not always be available. I would recommend we purchase a new iPad to ensure good battery life, and the cheapest I have found is from John Lewis @ £349.00 including two years warrantee. We would also need a decent case which would be max £20.00

*Update – The iPad was out of stock before Christmas so I will

check again next week.

- Awards Night: GB Posted on Facebook in September to get opinions from members concerning the next Awards Night – very little response.
It was agreed that the club needs to do something and possibly the way forward is a buffet at a venue possibly The Heronston. It was discussed that we should merge the AGM & The Awards Night and hold the evening in March.
Suggestions were made to maybe have a quiz, guest speaker and possibly a smaller raffle (as entertaining as it is). Something is needed to attract members to attend.

AOB (previous)

- Awards Night: GB checked out prices for buffet options at The Heronston and these had been circulated to the Committee Members previously. It was thought it was a bit expensive. PS had a list of pubs to check out function rooms but had not made much progress – passed to GB to progress LS will checkout options at Pontyclun RFC GT to check out The Cherry Laurel It was thought to offer the evening to members as following:
 1. If you want your Trophy, then please attend to collect it
 2. Take a Deposit for the evening (Buffet costs etc)

If no deposit from winners, then Trophy's will not be purchased etc.

Original suggested date is Saturday 17th February 2024, but other Saturdays in early March would be acceptable. Looking at around 20 people for buffet. The AGM would take place on the same evening.

- TP reports his current Office software used for BAC is now out of date and requested he be able to purchase Office 365 – this has now been purchased.

- RLJ had previously mentioned (via WhatsApp), some sort of event to be run jointly with Kidwell MC at Pembrey. Ls had spoken to Caroline Jones at Kidwelly MC to run through what could be done, but because of all the requirements (eg. Competition Licences for one), it was felt that hardly any BAC members cars would be suitable for an event.
- Following on from the above LS to speak to Hilary at Llandow Circuit to see if BAC could make use of that for some sort of event – need clarification of requirements from Llandow re Cars/Licences etc.
- BAC Curry Night is Tuesday 5th December 2023, event has been posted on the BAC Facebook page.
