

Bridgend Automobile Club

Autotest Entry Requirements

1. Membership of Bridgend Automobile Club (BAC) or any other invited club <https://bridgend-automobile-club.com/join-bac/>
2. Current MSUK RC Clubman Licence, these are currently free of charge and you can apply here:
<https://apply-rsclubman.motorsportuk.org/landing>
3. A roadworthy car or a car in a safe condition that can be transported to the event, or you can pair up with someone else who is happy to share a car with you
The car can be a standard road or car or a modified car
4. Age: Able to drive from the age of 14 (Passengers minimum age is 12)

Before the event you are walked through the course your chance to learn the route !

If you have never taken part in an Autotest before it is suggested that you watch a number of cars going through before having a run to help remember the course.

If you would like someone else with more experience to sit in the car with you then that can be arranged.

The event allows 6 runs of the course, the last run being a 'double run'

If you have any questions while there then do ask-the team running the event will have BAC tabards on but I am sure everyone will be happy to help.

To take part in an Autotest: The event is published on the [BAC Facebook](#) page with full details. You have to complete the online form and make a Bank Transfer payment at the same time.

Any other queries then go the BAC Facebook page.
